

Temporary Contract Labor/ Day Labor for Special Projects

Franklin County School District is seeking local business interested in assisting with special maintenance/grounds related projects.

Areas of interest include, but are not limited to:

- Plumbing
- Heating / Air Conditioning
- Building
- Grounds Maintenance
- Painting
- Electrical

Material markup if you provide materials. Franklin County School District will provide materials for the majority of projects.

Estimated time of completion is required on job quote. If a job runs over quote amount and/or time, it will require school board approval. Any quote **may** require school board approval.

To be placed on the "Call List", please send your information including a cost for service calls and a price per hour per worker to Franklin County School District, Attention: Mike Malone, Maintenance Foreman, 85 School Road, Suite One, Eastpoint, Florida 32328. mmalone@franklin.k12.fl.us

Level two (2) background check required.

At the completion of each project the provider of services will receive a performance evaluation for their records and to be considered on future projects.

We are a tobacco free campus.

Let's all work together to make Franklin County School the very best.
