Are there any other special needs The Nest staff needs to be aware of? _____

21st Century Community Learning Center Mission Statement and Goals

A 21st Century Community Learning Center (21st CCLC) is an after-school and summer program offering a variety of services, including academic support, enrichment, character building, service learning, recreation and parent education classes. The program is continuously evaluated to determine progress in four key objectives: 1. To improve students' mastery of academic skills (with an emphasis on reading, math and science), 2. To reduce juvenile risk-taking behaviors and school truancy, 3. To strengthen families through increased parental participation in their child's academic and social success through extended learning programs addressing adult needs, and 4. To promote healthy lifestyles through quality, fun after school and summer programs. Copies of evaluation reports will be made available to parents and the public upon request.

Behavior and Discipline Agreement

In order to provide a productive learning environment, all students will be expected to follow the rules and procedures of the 21st CCLC and the School Board of Franklin County. Discipline policies are governed by the Franklin County School District's Code of Conduct.

Documentation Agreement

The staff of The Nest and other media representatives may want to interview, photograph and/or videotape your child for use in promotional materials, newspaper articles and online news stories on The Nest website. Please sign below if you do not object to your child participating in these activities.

Parent/Guardian Signature _____

Selection Criteria

The Nest is open to all students in grades PreK-12, with priority provided to those students performing in the lowest 25th percentile on the FCAT reading and/or math sections. The Nest is open to students regardless of race or economic status. I agree to the above policies, rules and procedures. I realize that The Nest is a voluntary program and not required. I also agree to support my child's learning progression by adhering to the items contained in this packet.
