APRIL 17, 2020 PRESS RELEASE: FOOD & NUTRITION WILL ADD READY TO HEAT ITEMS TO PACKED MEALS

This week marks an important milestone as we expand our efforts to include “Ready to Heat” items and continue to provide grab and go packed meals to all children of Franklin County. We are excited that we are averaging 2325 meals a day – 7 days a week. In addition to serving the children and students of Franklin County a wholesome breakfast and lunch, we are pleased to be a part of their daily routine.

This week students will begin to see ‘Ready to Heat’ entrée items for breakfast and lunch. These are simple items that will be a wonderful addition to packed meals. Each family will receive a list of these items as well as easy heating instructions for a warm meal.

If you have any food related questions or would like to request additional information please contact the School Food and Nutrition office at 850-670-2832.
