Fall 2023-2024 Out of the 67 2023-2024 teaching positions in the District, 31 (approx. 46%) are classified as out-of-field and reported to the state as such. Three additional staff are in OOF positions. It is required by law that parents of students in classrooms with out-of-field/non-certified teachers be notified. Therefore, letters are sent home with students. The following are listed as out-of-field or non-certified. Please see the notes on status.
