Seahawk Spotlight

Thank you for all you do!

This is Ms. Clark's 28th year working as an educator in the Franklin County School District. She has taught 3rd, 4th, 5th and 6th grades at Carrabelle High School, Brown Elementary School and here at Franklin County School. Ms. Clark have been involved in many different areas but says "my most favorite supplemental role was of course, VARSITY CHEER Coach. I was honored to be a part of this for 17 years. In 2016, I moved out of classroom into the ESE Staffing Specialist position.

In my current role as Staffing Specialist I am able to support and monitor support for student with disabilities of all ages and grade levels. I work closely with teachers and service providers to ensure they have the data and tools necessary in order to meet the needs of each student." She says "my most favorite part of the job is the relationships I have with each student and watching them meet their goals. I love my role at Franklin County School and I love all of our kiddos! Go Seahawks!"

Congratulations, Ms. Lynn Clark!
