## Seahawk Spotlight

Thank you for all you do!

Mrs. Cathy Brackin has been teaching high school for 27 years.

Generally, Mrs. Brackin teaches physical sciences (Chemistry, Physics, Physical Science) and Environmental Science. She currently teaches Chemistry Honors and Physical Science. Mrs. Brackin also serves as a co-sponsor for the senior class and the College and Career Readiness coach for the Take Stock in Children program. Over the years, Mrs. Cathy has been a coach for cheerleading, track, and tennis. She says her favorite part of this job is the students.

She adds, "I am proud to say that Franklin has been my home for a year, and absolutely love it! I moved here with my husband who started a new business. I love seeing them grow and mature from the time they enter to the last day. Being around high school students keeps me feeling young. I love having the opportunity to inspire students and help them to understand that anything is possible with hard work and determination."

## Congratulations, Mrs. Cathy Brackin!

## Happy Birthday

May 8th - William "Bill" McCullough

May 9th - Donna Barber

May 13th - Dion Cox

May 14th - Sherry Ard
