## Seahawk Spotlight

Thank you for all you do!

Ms. Millender started working as a substitute/ health aide in 2010. She says, "My passion for wanting to work with children grew, so I became a paraprofessional in 2017.

Now I am working on earning my degree in Elementary Education." She has worked with grades k- 5th and currently works as a 3rd-grade paraprofessional.

Congratulations,

Ms. Brittani D. Millender!

When asked what's her favorite part of the job, she says it's " laughing and listening with the students while getting to know them. I love finding ways to help them succeed while watching them grow."
