SEAHAWK SPOTLIGHT

April 21st through the 23rd, the Franklin County Brain Bowl team competed at the 36th Commissioner's Academic Challenge in Orlando, Florida.

This competition that the team had been practicing for the whole school year was the ultimate test of academic knowledge. Teams from many of the school districts in the State of Florida competed in a quiz-bowl-type setting with questions from the areas of language arts, mathematics, science, social studies, the fine arts, world languages (French and Spanish), and technology.

The Franklin County Brain Bowl team is made up of high school students from Franklin County School and Ed Corps. The 2323 team members are Captain River Sheridan, grade 12; co-captain Bradley Page, grade 10; Tucker Venable, grade 11; Connor Lolley, grade 10; Nayomi Bott, grade 9; Troy McKenzie, grade 9; Eli Thomas, grade 9. They are coached by Barbara Sanders, and their Franklin County School sponsor is Candice Sweet Sheridan. On the trip, they were also chaperoned on the trip by [David Hughes](#) and [Shannon Venable](#).

The team competed in 3 rounds, earning 3rd place in the first and second rounds and 4th in the final round, 8 points from moving on to the finals in their division. They therefore finished 7th despite being the smallest school district competing. The team is so happy to have shown off their skills in competition, and they also had a lot of fun along the way. We are deeply grateful to all of our community donors that made this trip possible along with the generous funding provided by the Franklin County School Board.
