Julia Matthews with two her children share smiles.

Congratulations, Julia Matthews!

Thanks for all you do!

Julia Matthews has been teaching High School math for almost 22 years, this being her 5th year at FCS. She has taught all levels of HS math in her career from Pre-Algebra to AP Statistics. Additionally, she is a math coach who supports teachers in math instruction.

She shares, "Math is not always the easiest subject to teach, my favorite part is when I see the understanding in my student's faces, the "Ah Ha" moment when they get it! I love sharing my passion for learning and teaching with students and fellow teachers here at FCS. My 2 children also attend FCS, Louisa in 1st grade and Arlo in 3rd. We are all so proud to be part of the Seahawk family!! "

Go Seahawks!
