SEAHAWK SPOTLIGHT

Congratulations, Christine Boyd!

Mrs. Christine Boyd works with students to advance their growth in their studies.

Thanks for all you do!

Mrs. Boyd shares her journey with the Seahawks and starts by sharing that she, "moved to Franklin County almost 20 years ago after my husband (Marvin Boyd) accepted a teaching position with the District.

Although my background is in print journalism, I soon found myself employed as a substitute at the old Carrabelle School. That role soon led to a short-term job working with ESE students, which evolved into a permanent position. These days you will find me in the elementary ESE Resource Room... happily employed as a para-professional."

Further, she tells her about her favorite part and highlights of her job. Boyd says, "I am fortunate to work with a great team and a super teacher (Ms Ake). However, the best part of the job is the interaction with students. It is so rewarding to watch them grow in confidence and ability.

When you see this soaring Seahawk, express your gratitude and congrats. Wishing her a happy birthday this month and a happy holiday to all. Go Seahawks! #OneTeamOneDream
