FRANKLIN COUNTY SCHOOL DISTRICT
DIFFERENTIATED PAY PLAN
FYE 6/30/21

In accordance with Florida Statute 1012.22 (1) (c) (4), the Franklin County School Board adopts the following supplements and pay plan for differentiated pay for instructional personnel, non-instructional personnel, and school-based administrators. The differentiated pay is based on district-determined factors, including, but not limited to, additional responsibilities, school demographics, critical shortage areas, and level of job performance difficulties.

INSTRUCTIONAL AND SCHOOL BASED ADMINISTRATIVE EMPLOYEES

A. Additional Responsibilities – Each School Principal will determine the staff needed to perform additional responsibilities and will provide the list to the Superintendent’s office.

B. School Demographics – (SUGSD) Instructional staff working at a school where 90% of the students qualify for free lunches will receive a supplement of \$75. The free rate for each school will be determined on date certain during FTE Survey 3 by the Food Service Coordinator and will be based on the percentage of students who qualify via direct certification and/or completed free/reduced lunch applications. This rate does not include the status of the school based on community eligibility, but the specific number of students who would qualify for free lunch outside the community eligibility calculations. The multiplier rate of 1.6, from the Florida Department of Agriculture and Consumer Services, is used as a guaranteed rate for years 2014/15 – 2017/18. Instructional staff who has worked at the school 196 days during the school year will receive the supplement by June 30 of that year.

C. Critical Shortage Areas (SU251) – A \$2,000 supplement shall be paid to each Instructional employee working in a critical shortage area as designated by the Franklin County School Board upon recommendation of the Superintendent. Local critical shortage areas are defined as (2) consecutive job postings with no applicants. The job postings will be monitored by the Human Resource Department and findings reported to the Superintendent.

D. Level of Job Performance Difficulties – Principals and Assistant Principals’ salary is differentiated based on student enrollment, grade level of students, and number of extracurricular activities.
