JUNE 25, 2020 PRESS RELEASE: ½ MILL REFERENDUM PASSES

Franklin County voters supported the half-mill tax for the fourth time, since the initial approval in 2008.

The District's objective is to continue to keep the existing capital outlay and ad valorem tax levy at its current level, which is 1/2 mill below the amount that could be levied by statute. The Referendum allows the school district the flexibility to use the funds to continue to preserve and maintain academic programs, to hire and retain highly qualified staff, credit recovery and tutoring, to fund programs in the arts, technology expansion, aerospace programs, career and technical programs, extracurricular student activities and after school activity bus transportation.

The funds will be shared with the charter school based on its proportionate share of the district's total un-weighted full-time equivalent student enrollment and will be used for the same purpose.

“On behalf of the school district staff, the Franklin County School Board and I, we are grateful for the continued support from our community to provide all of our students with pathways for college and careers; giving them the brightest futures possible,” stated Superintendent Traci Yoder.
