JULY 25, 2019 PRESS RELEASE: BACK TO SCHOOL ORIENTATION

The Franklin County School District is busy making preparations for an exciting new school year and would like to encourage all of our Seahawk families to attend the Back-to-School Orientation. Postcards will be mailed out to currently enrolled students of the Franklin K12 campus with the student's homeroom teacher information. All new students will need to visit the front office for registration procedures.

Students in grades K-5 will report directly to their new classroom and students in grades 6-12 grade will report to their 1st period class and meet with teachers to update all enrollment paperwork prior to participating in other campus activities. A generous \$20,000 donation from Cone Distributors of Tallahassee combined with other contributions will enable FCS to provide school supplies for all PreK-12 Seahawk students.

With the help of local businesses & community partnerships, the FCS orientation will also offer FREE haircuts, FREE sports & health physicals as well as a sample of school food, bounce houses and much more.

We hope all of our Seahawk families have enjoyed a great summer vacation and are refreshed and recharged to start something new on August 12th.
