# FRANKLIN COUNTY CAPE ACADEMIES

## Digital Design

FCS offers a Digital Design Course including Microsoft Office, Word, Excel, Adobe, and Power Point.

## Culinary Arts

FCS Culinary Arts class prepares students for a variety of culinary careers and offers ServSafe Certification.

Activities include catering for outside agencies and a diner where the students cook, serve and host events for school activities.

## Science Technology Engineering Mathematics

CAREER AND COLLEGE READY – Offering a new STEM program involving the latest aerospace and drone technology. STEM skills are in greater demand as the United States confronts a fiercely competitive international marketplace where the advantage goes to companies that are the first to invent and produce innovative products. In the 2015-2016 School year 9th grade students were introduced to the history of unmanned aerial vehicles (UAVs), examine current military and commercial application, and use teamwork to solve real world problems by flying an iPad controlled AR drone quadricopter with an onboard video recorder. This curriculum is in partnership with Embry-Riddle Aeronautical University.

Career Academy courses are for students in grades 6-12.

### Tuition-Free Public School

## Why Franklin Virtual Instruction Program

- ✚ Exceptional, effective curriculum
- ✚ Support from teachers
- ✚ Full-time, online public school option
- ✚ An active, supportive school community
- ✚ A range of extracurricular activities
- ✚ A robust Advanced Learner Program
- ✚ Books and materials

Florida Virtual Instruction Programs are available in more than two-thirds of Florida's counties. They offer a robust Advanced Learner Program for K-8 students and other meet and greet opportunities for teachers and students through local programs and activities.
