

It is the **MISSION** of the Franklin County School District that each child reach their **ACADEMIC AND SOCIAL** potential!  
Let us help your child achieve both!

The Franklin County School District is pleased to announce that Senate Bill 7026 allows schools to provide in school counseling services to ALL students, regardless of insurance or ability to pay. It is imperative, that together, schools and families give students strategies to overcome obstacles that they are sure to face as they grow and learn, to help support them in meeting all needs - academic, social, and emotional.

\*Franklin County Schools will provide individual and group counseling services at many levels to our students addressing a range of student needs. These services are at **NO COST TO PARENTS!** (If applicable, student insurance will be billed first, then this funding will cover the rest, including co-pays.)

\*In house and contracted providers will provide services during the school day for **scheduling convenience!**

For questions about these services, or to sign your child up, please contact Melanie Copeland 7<sup>th</sup> - 12<sup>th</sup> grade Guidance Counselor or Lacey Hamm K- 6<sup>th</sup> grade Guidance Counselor, at (850)670-2800 or [mcopeland@franklincountyschools.org](mailto:mcopeland@franklincountyschools.org) or [lhamm@franklincountyschools.org](mailto:lhamm@franklincountyschools.org)

You can also see your child's teacher for more information!
