Dear FCHS SEAHAWK Boys Basketball family, friends, supporters,

My name is Nathan West and I am the head boys' basketball coach at Franklin County High School. As I have been getting acclimated to the school and the athletic program here at Franklin County, I am working diligently to prepare for the upcoming basketball season.

For the past four seasons, I have been the assistant coach at Iowa Central Community College in Fort Dodge, IA. Previous to this position, I coached for three years in Alabama at the high school level, one season at Saks High School in Anniston and two seasons at Oxford High School. I also played for four seasons in college, one year at Marion Military Institute and three seasons at Birmingham Southern College. I am very enthusiastic about the upcoming season and about building a culture of excellence, through discipline and hard work, here at FCHS. For the next several months, I will be training the boys to become the best student athletes on and off the court.

As a result of educational budget restraints, each team must pay the vast majority of its own expenses (*uniforms, equipment, transportation, meals, and other discretionary expenses*) as state and local funds now only cover the cost for facilities, coaches, and referees. The remaining funds necessary to support and run the athletic programs at FCHS must come from the efforts of the Basketball Coaching staff, players, parents, and generous sponsors like you. Any budgetary shortfall forces each student-athlete to pay a fee in order to participate in the basketball program.

I am writing to you with the hope that you will consider becoming a Seahawk Boys Basketball Sponsor. Sponsorships will help provide necessary equipment, shoes and travel gear for our Seahawks boys' basketball teams to have a successful season.

Becoming a sponsor will not only allow you to make a meaningful impact on the lives of student-athletes, but will also provide you with a dynamic opportunity to connect with the community. Please consider becoming a part of this program. Any level of sponsorship is greatly appreciated. If you have any questions, please feel free to give me a call at (256) 453-1235. We're looking forward to a great upcoming season and we extend you a special invitation to come experience for yourself the exciting Seahawks boys' basketball program we're building at FCHS!

Respectfully yours,

Nathan West
